1. It's simple, just pick the winner of one English Premier League match each week. If your selection wins you progress to the next week, lose or draw and you're out. 2. Once a selection is made, you will not have the ability to change it. 3. You may not pick the same team to win more than once during the tournament. So for example if you pick Man United in Game Week 1 and they win, then you can't pick them for the rest of the competition. 4. In the event that any match involving a team you have selected is postponed or cancelled for any reason, you will continue to the next round. That team will no longer be available for selection in future game weeks. A

All selections along with the £10 entry fee must be returned to Ian Curran, Laura Hillen, Sean McKevitt or Gary Wilson by Thursday 1st February.

Anybody still standing after the first set of fixtures will be contacted and issued with additional fixtures for Round 7.
